- Step 2. On acceptance of your enrolment to study at Faith Bible College the cost of your course fees and accommodation will need to be paid in full. This is to meet a New Zealand Immigration Service requirement before a student visa can be granted to you. Details of the required payment will be sent to you with your confirmation letter.

AFTER YOUR ENROLMENT HAS BEEN CONFIRMED:

- Step 1. Pay the course and accommodation fees. Once the payment to the college has been made we will provide you with a letter that should be submitted with your student visa application together with a receipt from Public Trust.

- Step 3. Purchase travel / medical insurance. Medical insurance should be purchased before you leave your country to cover you for any unforeseen medical emergencies that would prevent you from coming to NZ. Contact the Registrar if you require more information on this.

FEES

All international students must pay their full fees in advance before a letter of acceptance is issued. This is a New Zealand Immigration requirement. In the event an international student is unable to commence their study programme these fees will be refunded in full in accordance with the College refund policy.

College Refund Policy / Withdrawal Policy

Students are advised to read the following information carefully. This information is the College's policy statement and procedures concerning course withdrawal and refund of fees.

- a. A student may withdraw from their enrolment at Faith Bible College at any time. All such withdrawals should first be discussed with the Principal, and after that must be in writing. If an international student withdraws from their enrolment within the first ten days, up until the end of the tenth working day after the start of the course (known as "the early withdrawal period"), the student is entitled to receive a full refund less a deduction of up to 25% of the fees paid, provided the College incurred costs to this amount and can justify these costs. This is the policy of Faith Bible College Board of Trustees in accordance with NZQA regulations <http://www.nzqa.govt.nz/providers-partners/approval-accreditation-and-registration/student-fee-protection/student-withdrawals-refunds/>
- b. Withdrawal from a programme of study also means withdrawal from Faith Bible College. There is no refund of tuition fees after the first ten days of study in any course except in regard to section c below. All notices of withdrawal must be submitted to the Principal using the 'Student Withdrawal Form' available from the Registrar's office.
- c. If the College Management deems there are circumstances warranting the consideration of a partial refund of tuition after the ten-day "early withdrawal period", such refunds will not exceed 50% of the unused tuition monies held, plus the Registration Fee. Students are required to fill the Public Trust Refund Form if refunds are to be made.
- d. Subject to the provision of two weeks' notice of vacating the campus, unused accommodation charges will be refunded in full. When two weeks' notice is not provided before vacating campus, this will be deducted on an assessment against the notice period in relationship to an actual date of vacating. The College also reserves the right to retain monies in connection to any damages incurred by the student to the accommodation facility.
- e. The college will notify New Zealand Immigration Service when an international student withdraws or if a student's enrolment is terminated.
